

**Route Z Road and Bridge
Improvements
Community Briefing
Nov. 14, 2012**

Welcome!

The purpose of today's meeting is to help you learn more about the proposed project to provide roadway and bridge improvements to Route Z in Boone County.

The project involves replacing the interchange bridge on Route Z over I-70, constructing a new roundabout at the intersection of Route Z and St. Charles Road, and resurfacing and adding three-foot hard-surface shoulders and rumble stripes on Route Z from St. Charles Road to I-70. This project is a cooperative effort between MoDOT and Boone County.

This is an open-house community briefing. MoDOT employees and Boone County officials are here to assist you and explain various aspects of the proposed project.

As you move through the displays, please share your questions and comments with us. Your input is very important.

For more information, contact us toll free at 1-888-ASK-MODOT (275-6636) or visit us online at www.modot.org/central.

Thank you for your participation.
